## Mountain Astrologer ads

In 2009-2013 I placed twenty-five gently surreal ads in *The Mountain Astrologer*, a prominent U.S. astrology magazine. There were three slightly different ads, all business card sized; see the books exactphilosophy.net 2017, 2019 or 2020 for images for all three. Here is the last one which ran 13 times:

Almost the slowliest evolving web site in the world. . .

Scan of the bottom part of a magazine page with almost the last ad:

A scan of a magazine page. The ad is a business card sized rectangle. It contains the same text and logo as the previous block. The magazine page is slightly blurred. At the bottom right of the page, the text "Oct./Nov. 2013 \* The Mountain Astrologer 27" is visible.
